SUNDAY’S GOSPEL— June 10, 2018 – 10th Sunday in Ordinary Time ~~~~~Author: Alice Camille ~ June 5, 2018

Mark 3:20–35

When his relatives heard of this they set out to seize him, for they said, “He is out of his mind.” –Mark 3:21

His own family thought he was crazy! That’s what the Gospel of Mark says. It was such a disturbing observation that Matthew and Luke, the two writers who often copy Mark’s material almost exactly, omit this saying when they describe the scene. While John’s Gospel repeats the allegation that Jesus was considered crazy, the phrase is put into the mouths of the crowds, and not his relatives (see John 10:20).

But when you think about it, isn’t this entirely likely? Don’t we all view the choices our loved ones are making with disbelief and a questioning of their sanity? Why is she marrying him? What would possess him to move to that part of the country? They must be nuts to purchase that property. Raising their kids that way just proves how loony the two of them are.

Moral support from our families is something we all crave. But it can’t be the gold standard by which we live and breathe and make decisions. Sometimes, we have to follow the mad way our hearts direct us, no matter what they say about us.

When did you do something against the advice of those around you?

Would you do it again?

LET US PRAY...

Holy are your ways, O Lord, and holy are the people whom you choose and call to yourself. Soften our hearts so that we may see the world as you see it, and that we may respond with care to the Creation you so love. Make us better stewards of this garden. ~~~Amen.

Conscience is not a law unto itself. Rather it looks to the law of God and applies that law to the particular act we are considering. . . . Without the law of God, conscience is blind. This implies the important duty to form our conscience well, to learn God's law.

Also congratulations to Molly Goossens who graduated from Northwest Christian University...

We wish to extend a warm WELCOME! To any and all visitors to our parish. We hope that you are having a fantastic time in Cottage Grove and Creswell. Thank you for joining us in celebrating the Mass at our churches.

As you plan your family vacations, please remember that even in the summer, the parish has financial commitments and relies on your offering to meet them.

Please, if you think of it, bring back a bulletin, we love to see how other parishes do their bulletin.

Summer is upon us, this is a great time to do some "housecleaning" at our churches. We will be doing some deep cleaning. Spreading the work among many hands makes for less work on any one hand. Contact the office to let us know when and how you are willing and able to help out. (contact information is on the left page)

Venture is a retreat for Catholic freshmen who are seeking to grow closer to Christ and plug into a community. The experience starts with a once in a lifetime retreat that will set you on fire and fill your days with joy and meaning. Then, in Venture Ahead, students develop that encounter with Christ and others into lasting friendships. At the end of this experience you would wish it would never end; but then is your moment to help others go through the same experience!

Are you an incoming Catholic Freshman? Do you want to form deep and meaningful friendships in your first few weeks of college? Are you interested in integrating your faith into your college life? If you answered yes to any of these questions, Venture is for you!

Join us for an unforgettable weekend at the start of your college experience!
