

DID YOU KNOW-----

Every member of OLPH parish is a member of OLPH Altar Society?? You don't have to be installed, pay dues or be accepted----you belong! Unfortunately our active members are aging and becoming fewer and fewer. If the Altar Society ceases to function for any reason, many activities also cease to exist. For example, no more All Seasons Bazaar which raises enough money to provide nearly \$7000.00 worth of liturgical supplies each year. No more First Friday soup luncheons, receptions after funerals or graduation receptions. No birthday, anniversary, sympathy, baptism, graduation or other type of greeting cards. How can you help? Become an active member! Attend a meeting once a month (second Wed. at 1:00 pm in the parish center) offer to help at the Bazaar or other activity where we need more hands. You will be welcomed with open arms----that's a promise!!
